

**MESSAGE TO MEMBERS  
FROM PRESIDENT/CEO  
JOE CATRAMBONE**

Due to the current health situation, the Stuart/Martin County Chamber of Commerce, along with other Chambers, the County and the City, have suspended all meetings and social gatherings during the month of April.

The Chamber encourages members to continue doing business and networking with fellow members through alternate methods, such as phone conferences and social media, during this temporary situation.

The Chamber website [www.stuartmartinchamber.org](http://www.stuartmartinchamber.org) is an excellent resource for all of your business and current affairs information.

Members can post updates about their businesses through their own Membership Information Center on the website.

We wish all of our members good health, a speedy return to normalcy and a prosperous future.
