International Training Completes Successful Project for Chamber's CareerConnect Martin Program

International Training, a leading provider of Learning Management Systems and database management solutions, is proud to announce the successful completion of a collaborative project with the Chamber's CareerConnect Martin program. This innovative initiative empowers the community's most vulnerable job seekers through individualized workforce skill development.

CareerConnect Martin equips participants with the competencies, confidence, and connections they need to secure meaningful employment. By leveraging International Training's state-of-the-art software and tailored training solutions, the program has enhanced its ability to deliver personalized learning experiences that meet the diverse needs of job seekers in Martin County.

"Our partnership with the Stuart/Martin County Chamber of Commerce exemplifies our commitment to fostering workforce development in the communities we serve," said Stephanie Miele, Chief Operations Officer of International Training. "We are thrilled to have contributed
