Dear Chamber Member,

The Stuart/Martin County Chamber is pleased to announce that we have engaged the **Dolph Map Company** to produce our 2025 updated full color Street Map of Martin County. Dolph's publication will be the only official map endorsed and distributed by the Stuart/Martin County Chamber. Accurate user-friendly maps are popular with our visitors, many are prospects considering moving their families and businesses here. Additionally, we will link a new "Interactive Map of Martin County" to our website www.stuartmartinchamber.org

An exclusive Display Advertising Space is available on the back cover panel, also the "first seen" left & right panels as well as the 4 x 9-inch interior panel spaces next to the back cover. It will also feature a **Member Business Directory** section that will also be linked to our website. The directory will arrange businesses in alphabetical order in a drop-down menu.

We encourage you to take full advantage of this opportunity to reach potential new residents. Advertising space is limited on both the print & interactive map. Please call (954) 763- 4732 to reserve advertising space or for additioal information.

Thank you for your support!

Regards,

Joe Joseph A. Catrambone
