## Chamber Presents the 2026 Home, Hurricane & Orchid Show A Celebration of Preparedness, Home Inspiration and 47 Years of Orchid Excellence

The Stuart/Martin County Chamber proudly announces the return of the highly anticipated 2026 Home, Hurricane & Orchid Show, taking place March 6th-8th, at the Martin County Fairgrounds, located at 2616 S.E. Dixie Highway in Stuart.

This beloved annual free event brings together homeowners, families, local businesses, and garden enthusiasts for a dynamic weekend focused on home improvement, hurricane preparedness, horticulture, and community connection. In a time when many homeowners feel uncertain about who to hire or where to turn for reliable services, this event offers something in-

valuable: face-to-face connection. Attendees can meet reputable local contractors, home improvement specialists, hurricane preparedness experts, and service providers all under one roof. It is an opportunity to ask questions, compare solutions, and build relationships with

businesses that live, work, and invest right here in our community.

The event will also feature delicious food vendors and a variety of spirits available for purchase, fun activities for kids, networking oppor-

tunities, and community engagement.

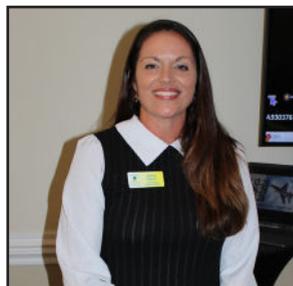

Now celebrating the 47th Annual Orchid Show, this year's event promises an exciting and colorful experience — complete with a lively Disco theme for the orchid exhibition. Attendees can explore displays from nine orchid vendors, receive expert advice on orchid care and repotting, learn about pest management, and discover varieties that thrive in South Florida.

The show will kick off Friday, March 6th from noon-4 PM. Saturday and Sunday, March 7-8 will be open from 9 AM-4 PM.
